

Serving as Board Chair for Children's Network of Southwest Florida has been profoundly fulfilling. Our community is home to many excellent nonprofits, but CNSWFL is uniquely positioned to make a difference for Southwest Florida's most vulnerable children and youth. Our network draws on the immense talents of our diverse staff, accomplished providers, enthusiastic Board of Directors, caring foster, and adoptive parents, and more. The positive results of this dedicated and collaborative approach can be seen in the statistics in our Annual Reports.

Not even a major natural disaster could stop the good work of CNSWFL, and I invite you to partner with us. Whether by volunteering, donating, advocating, or opening your home as a foster or adoptive parent, everyone can assist CNSWFL's life-changing mission.

Sincerely,

**Gregory Masonick**
